I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I
OBJECT to the definition of "inordinate amount" which restricts the availability and
the right to obtain necessary compounded medications by limiting the number of
prescriptions that can be shipped across state lines from specialized
compounding pharmacies.

Comments: The definition of "inordinate amount" as contained in the
memorandum of understanding would compromise my quality of life by
restricting my ability to obtain the medication my doctor has prescribed
and that I need. I need the services of specialty pharmacies.
